Seedlings Braille Books for Children

For every 100 books a sighted child has, a blind child has only 5. That is because braille books are scarce and expensive. How can a child learn to read without books? Seedlings Braille Books for Children is a 501 (c) 3 nonprofit organization dedicated to increasing the opportunity for literacy by providing high-quality, low-cost braille books for children who are visually impaired.

Seedlings produces approximately 30,000 books each year, 50% of which we give away free! Bowling for Braille Books

Braille Reader Sydney

is Seedlings' biggest fundraiser of the year. We hope you'll become involved in this important event by bowling, sponsoring, or pledging to this great cause.

Thank you!

A \$100 donation allows Seedlings to make 10 books!

**A \$50 donation makes 5 books, and
a \$10 donation makes 1 book.**
